

May I have your attention please!?

Keep your 50% discount by placing a \$225 wholesale order this month! You will also get 50% off all orders, any size or amount, during this month and the following 2 months.

I M P O R T A N T

I want to be sure that you know your recruiter status is at risk this month. You will lose your team members and no longer receive commissions from them after this month of inactivity. You will also no longer receive your Applause Magazine. I would really hate to see that happen.

If you need ideas on how to stay active please know that I am happy to share what has worked for others in the past. It's easier than you may think!
